

2011 GE Aviation

Monday, August 8th, 2011 Billings Crowne Plaza Hotel

Small Business Supplier Symposium

Connecting Montana Suppliers to Opportunity

GE Aviation Executives will be in Billings, MT to provide insight into GE Aviation's business and opportunities for Montana manufacturers and suppliers.

The symposium includes the following opportunities:

- A Panel Presentation by GE Aviation Supply Chain Team
- Learn how companies qualify to do business with GE
- Learn from a Montana company currently supplying to GE
- One-on-One Appointments with GE Procurement Team
- Suppliers that match capacity, capability and overall aerospace industry needs will have an opportunity to prepare a study quote for GE Aviation for review and feedback
- Seminars on Manufacturing Improvement Processes and Supply Chain Management
